We are truly excited to mention that; this KFS Ghatlodia is a great choice for our child. We are happy to see the change and the way he has adjusted to the new environment so quickly and easily. The school is in fact one of the best CBSE school in Ahmedabad and its teaching faculty have extended their full support in making our child feel secure and at home.

A school where children likes to study and grew themselves not only in the field of study but in all other extra activities. A periodic parents meeting and direct interaction with the teachers improve children's behaviour. The approach of teachers are student friendly so that they can easily learn subject in deep.

The kind of exposure to academic and extra-curricular activities she is getting here is beyond our expectations. We like to give credit for encouraging the development of my daughter to amazing teachers, modern technology and quality infrastructure. It is one of the top CBSE school in Ghatlodia and Ahmedabad.
